## Practice Makes Catholic - Did you know?

A long standing tradition in Churches, ancient & new, is the use of stained glass windows.

In addition to being beautiful, these windows reflect light into the sanctuary & were used as a teaching tool. The majority of those worshipping were unable to read or write. The gorgeous windows taught the stories of the bible visually. We are so fortunate to be able to be using windows from our old worship space in our new Narthex.

We are also blessed to have the beautiful creation which sits behind the Altar & Tabernacle.

These beautiful works of art give us time & opportunity to reflect on Gods glory & majesty. They allow us the spiritual ability, without words, to contemplate & give praise.

## Pray for the sick of our Parish
