### From the Pastor

Dear Faithful of St. John:

A most Blessed Easter to all! Today we celebrate the Resurrection of our Lord Jesus Christ. This is our greatest feast as it calls to mind our own promised Resurrection and entry into eternal life. To have a correct understanding of this wonderful feast, we must remember that it is intimately connected with our baptism. Through the waters of baptism we have died with Christ, and have risen from the water as Children of God. We must strive always to live as children of the "Light" who is Christ.

May God bless you,  
Father Pepper

We welcome and congratulate our new members who joined our parish family at the Easter Vigil.

## Masses at St. John during the Pandemic

During these times of concern for your safety & the safety of everyone, we will continue to follow carefully the guidelines of our Archbishop.

\*If you do not feel 100% well, stay at home

\*wear a mask at all times except when you receive holy communion

\*maintain social distancing before & after Mass, in the communion line, & in the pews as they are marked. (members of the same household only may sit together)

\*wash your hands, use the sanitizer that is provided when you enter & as you leave.

\*\*We have started a trial period of not requiring reservations to attend Mass, though we are still limited to a capacity of 160, including the seating available in the entrance. If we can still maintain social distancing we will not require reservation.

However, if the capacity is exceeded, we will have to re-examine the requirement. In the meantime, the Saturday evening Mass is usually less than capacity. You may want to consider this time as an option. The Narthex, (entrance space) contains some seating with video screens available. This is an option for those who want to keep a careful distance.

Mass continues to be live-streamed for those who for any reason must stay at home, or choose to do so.

Please stay safe & well. Please take every precaution to keep others safe & well. We are a faith community of those who care about everyone's safety & wellness.
