2 Corinthians 8:12-14

"... according to what one has, not according to what one does not have; not that others should have relief while you are burdened, but that as a matter of equality your surplus at the present time should supply their needs, so that their surplus may also supply your needs..."

Stewardship is about seeking a balance in one's life. Stewardship recognizes that we are to share our blessings in a loving and just way in proportion to the manner in which we have been blessed.

Practice Makes Catholic - Did you know?

praying in public...

Our own Archbishop Kurtz was speaking about being a sign of our faith and reflecting on the fact that Catholics must not go out to eat much. This, of course, was based on the fact that he didn't see many people making the sign of the cross before they prayed before their meal.

It is a simple thing. It is a powerful thing.

Out to eat at a nice little restaurant I did what I always do and made the sign of the cross and prayed. I also noticed another couple do the same thing nearby. We struck up a conversation about our parishes and about how nice it was to see others in that silent testimony to our Catholicism. We reflected on how important it was that children witness adults who are not afraid to stand out. How brave are you?

If you know a parishioner who is sick, homebound or in the hospital & would like Father Kevin to visit, please call the Parish Office.

Please remember to call and remove yourself or your loved one when they are no longer ill or in need of prayers. Thank you.

Marriage Moment

(Independence Day) Independence is an important step on the journey to adulthood, but marriage also requires dependence. I depend on you to keep your word, to be there when I'm feeling hurt, to watch the kids so I can have a break. How do you depend on one another?

With Deepest Sympathy

Our prayers & condolences to the family & friends of

May the love of God and the peace of
