**A Thought of Archbishop Fulton Sheen**

We must leave the world to help the world. That life is most effectively lived which every now and then withdraws from the scene of action to contemplation, where one learns the terrible defeat and futility which comes from excessive absorption in detail and action.

**Children's Liturgy of the Word**

Beginning on Sunday, July 3<sup>rd</sup>, Saint John the Apostle will resume the pre-pandemic Liturgy of the Word for children. Children ages 3 years old to 2<sup>nd</sup> graders are invited to hear the scripture message with their peers. We invite parents and grandparents who have children and grandchildren in this age bracket to encourage them to attend this special liturgy.

**Saint John's After-School Fellowship & Catechesis  
Program**

Saint John the Apostle Parish will offer the After-School Fellowship and Catechesis Program. More information will be in the bulletin next week. For now, we would like to bring to your attention that we are in search of two part-time positions: the Director and the Assistant. Those who are interested, please email resume to the pastor.

**Some Updates from the Pastor (Reprint)**

The fiscal year of 2021-2022 just completed. It is time for me to share with you some update. I promise you that I will try to be a good steward of the parish's resources.

1/ An update on the parking lots. Every important project should expect 10% to 15% of the total cost over the budget. Two things have happened. First, the blacktopping company has fallen much behind their schedule. But we hope they can come and finish the driveway in early August. Second, with the rising inflation, the ground works are expected to go over the budget. We had estimated around \$100,000 for all three phases of the parking lots. To date, the total cost will be around \$120,000 or more. But let us rejoice that parishioners who have contributed to

the parish this past fiscal year have exceeded \$82,000. Recalling Mr. Tony Brown's talk two weeks ago, we need to know that we cannot be content with what we have. In many cases, disaster is only a phone call away. We are appealing to the parishioners who have not been able to contribute to the parish. We ask them to be mindful of the costs of operating a vibrant and beautiful parish such as Saint John the Apostle.

2/ In response to a number of elderly parishioners who have difficulty hearing during Mass, the parish has been working with two companies with regard to sound and acoustic systems. We hope to be able to upgrade the sound system in our Church in the next couple of months. The estimates will be between \$21,000 and \$25,000. More update to come.

3/ The parish is replacing one of the units of the commercial air conditioners that feed cool air to the Church. This dying unit is already 20 years old. The cost will be around \$7,500.

Two members of our parish's Youth Ministry, Maggie Quinn and Drew Ford, were invited to attend a week-long retreat (June 24<sup>th</sup> – July 1<sup>st</sup>) hosted by the Christian Leadership Institute of the Archdiocese of Louisville. The two returned with excitement and enthusiasm. We now invite them to speak to other youth and parents of our parish about their experience. So, Maggie and Drew will speak after the 10:00 AM Mass on Sunday, July 24<sup>th</sup>. We look forward to hearing more from them.
