The recent earthquakes in Turkey and Syria have resulted in a terrible loss of life, homelessness, and massive destruction of structure and systems that support life in the areas affected. We can assist our sisters and brothers in these countries with monetary donations that will be used to support the disaster relief efforts of Catholic Relief Services, which is supporting the work of Caritas International, the relief organization on the ground in these countries, and the Pontifical Mission Society, which has established a fund for earthquake relief efforts. Donations can be sent to the Parish with a memo "Aids to Turkey and Syria." Thank you for your consideration.
