Masses at St. John during the Pandemic

During these times of concern for your safety & the safety of everyone, we will continue to follow carefully the guidelines of our Archbishop.

*If you do not feel 100% well, stay at home

*wear a mask at all times except when you receive holy communion

*maintain social distancing before & after Mass, in the communion line, & in the pews as they are marked. (members of the same household only may sit together)

*wash your hands, use the sanitizer that is provided when you enter & as you leave.

**We have started a trial period of not requiring reservations to attend Mass, though we are still limited to a capacity of 160, including the seating available in the entrance. If we can still maintain social distancing we will not require reservation. However, if the capacity is exceeded, we will have to re-examine the requirement. In the meantime, the Saturday evening Mass is usually less than capacity. You may want to consider this time as an option. The Narthex, (entrance space) contains some seating with video screens available. This is an option for those who want to keep a careful distance.

Mass continues to be live-streamed for those who for any reason must stay at home, or choose to do so. Please stay safe & well. Please take every precaution to keep others safe & well. We are a faith community of those who care about everyone's safety & wellness.
