Practice Makes Catholic - Did you know?

While our country celebrates Halloween we should remember the beginnings of this celebration.

Versions of the beginnings of this celebration are widespread. It was primarily brought to North America by the Irish. People, primarily children, went door-to-door with costumes on asking for food in exchange for praying for the dead. On All Souls day our focus should be upon praying for those who are still in purgatory.

Many people go to cemeteries or to church to pray for their loved ones who have passed. We pray that they see the face of God. All Saints Day is to pray in communion with all those who have entered heaven.

The two feast days are intertwined. Praying for those who have yet to enter & praying to those who have entered the glory of Heaven. We ask them to intercede on our behalf in our struggles here on Earth.

We acknowledge our connectedness when we pray the Creed." I believe in the Holy Spirit, the Holy Catholic Church, the communion of saints, the Forgiveness of sins, the resurrection of the body, and life Everlasting. Amen
